### **What is a Christian Marriage?**

A church wedding is a legal ceremony, but it is also an act of worship. To be married in the church is to affirm that the marriage is a gift of God through which the participants make a covenant with one another and with God.

In marriage we offer one another the promise of a lifelong companionship and commitment that needs to be cherished and nurtured. At Trinity United Church, we celebrate your choice to be married in this space. We see God present in your relationship with one another, to the community of the church, and the community of family and friends that will be present as you share your vows and your commitment to one another.

We believe that in Christian marriage the vows that we make are strengthened by God's grace and presence in your relationship. We believe that Christian marriage offers a foundation into your future that is not offered in civil marriage – the foundation found in the support, the love, the commitment of your family, friends, and church to support you as you begin this new life together.

Fill out the "Request for a Wedding" form (on last page) and bring it to the church office along with your non-refundable deposit. At this time, your date and time will be confirmed. It is recommended that you only book your hall, the photographer, a caterer etc after confirmation of the date by the church office.

You will also need to arrange a date and time to meet with the minister 4-6 weeks before your wedding date, to discuss wedding details, etc

### **Planning Your Wedding Ceremony Sanctuary**

Trinity United Church holds a maximum of 250 people. We do not allow the removal or covering of any part of the sanctuary during the wedding ceremony, (e.g. The Bible, communion table, pulpit, cross etc.).

### **Photographers**

During the wedding service a designated photographer may take pictures provided they do not disturb the ceremony.

It is possible to "repose" for the photographer immediately following the service for any other pictures (not included above) that you may want. If you have a designated photographer, he or she must speak with the Minister at least 1/2 hour prior to the service. A video camera may be used to record the wedding service, but the video camera must be on a fixed tripod and the camera be placed unobtrusively, so as not to detract from the ceremony (please check with the minister for correct location).

*If you have any other questions or concerns please contact the Minister or the Church office .*

### **Wedding Bulletins/Programs**

If you wish to have a bulletin for your wedding day you may do so, however the church does not type/photocopy or supply them.

### **Attendants**

Trinity has a wide chancel area and can accommodate an intimate wedding party of five (including bride, groom and minister), or a larger wedding party of ten or so. Ushers are very helpful and add a touch of order and decorum to the ceremony. Two ushers are usually sufficient.

### **The Rehearsal**

For formal weddings of twenty guests or more, a rehearsal is usually necessary. All members of the wedding party are asked to attend as well as others who may be taking part in the wedding ceremony, such as readers, candle lighters etc. The rehearsal will be no more than an hour in length and will be held on Friday as a rule (usually 7 pm). Rehearsals may be changed, if the need arises, at the discretion of the Minister.

### **Your Wedding Day**

It is illegal for a Minister to marry anyone who he or she has reason to believe is under the influence of alcohol or other illegal substances.

Please note that the use of confetti, rice, bird seed or similar materials are not permitted on church property! If used you will be charged extra for clean up.

### **Use of Candles**

Other than a Unity Candle, we do not allow any other "sources of flame" (candles, lanterns etc.) in the sanctuary other than those provided.

### **The Service**

The service must be planned in consultation with the Minister, on the basis of normal United Church liturgical practice, with some optional inclusion of elements of the couple's personal choice.

### **Music**

Should you choose to use our church pianist, the services are paid for in the total cost of the wedding. Should you wish to invite someone else to play for you, you must arrange that on your own and at your expense with the approval of the church/minister. All music must be chosen in consultation with the musician and is subject to approval by the Minister. We have the capacity to connect other music sources to our sound system

### **Decorations**

Simple decorations may be brought in and used within the church, examples include pew bows, flowers etc. Decorations may be placed prior to the wedding depending on the Church schedule of events and times.

Flowers, if they are used, should be placed in the sanctuary one hour before the ceremony begins. You may leave flowers following your marriage if you so wish. In any event, all decorations you bring must be removed within 1/2 hour of the ceremony ending. Pew markers may be used and must be attached by ties or elastics (no tape please).
