A man sees his wife is busy in the kitchen and says "Can I help?" She says, "Sure, take this bag of potatoes, peel half of them and put them in a pot to boil." No matter what men do, somehow, we still get yelled at...

The wedding ceremony

The wedding ceremony came to the point where the minister asked if anyone had anything to say concerning the union of the bride and groom. The moment of utter silence was broken when a beautiful young woman carrying a child stood up. She starts walking slowly towards the minister. The congregation was aghast - you could almost hear a pin drop. The groom's jaw dropped as he stared in at the approaching young woman and child. Chaos ensued.....

The bride threw the bouquet into the air and burst out crying.

Then the groom's mother fainted.

The best men started giving each other looks and wondering how to save the situation. 🤔

The minister asked the woman, "Can you tell us, why you came forward? What do you have to say?"

There was absolute silence in the church

The woman replied, "We can't hear you in the back."

Thanks Edna!

Fellowship Thank you to all who participate with snacks and help with clean up! Please check the schedule on the elevator wall in the narthex to sign up.
