Another Sheila McCausland masterpiece of awareness

- ◆ One good thing about gardening is that if you put it off long enough, it gets too late to start.
 - ◆ It's still true that money talks. But these days a dollar doesn't have enough cents to say anything worthwhile.
 - ◆ It is a great kindness to trust people with a secret. The feel so important while telling it.
 - ◆ Blessed are the mapmakers. They are the only people who can draw nations close together.
- Thanks to Ieleen Turner for sharing these facts!*

Thanks to our sound and recording operators who are dedicated to make this work on a weekly basis:
Ken & Carol Winstone, Barry Hill,
Alan Silvius, Donna Neufeld,
Barb Roberds & Todd Kruk.
We can always use extra hands.
Please see any of the team.

This fall we are searching for someone to be an alternate in the senior class, ages 12-18.

If you feel you could help us out please contact
Lois Riley or Deidree Placatka or call the church office; 204.728.4796

What do you get when you cross a dog and a calculator?

Some people are, most people aren't, and nobody really knows why.

It's not right or wrong, it's just the way things are!

Fellowship Thank you to all who participate with snacks and help with clean up! Please check the schedule on the elevator wall in the narthex to sign up.

Our group is getting smaller, we need some more to help out. Please see one of the group:
